WEEK 7 TERM 3 2018

Performing Arts Concert

On 24 September -Monday night- all students are involved with a whole school item to be performed at the Casino Civic Hall.

Tickets are now available for ordering. Due to the seating capacity of the Civic Hall, all attending schools have been issued with a **limited** number of tickets. **There is a limit of 2 tickets per family initially.** Parents/carers who would like additional tickets for their immediate family members will be placed on a waiting list –the school will be notified of the number of spare tickets the Friday before the concert. Historically, requests for additional tickets have been honoured by the organiser.

Unfortunately we cannot give any guarantees. The cost of the tickets is: **Adult: \$12, Children: \$5.** (A child is anyone who attends school or younger). **Performers do not need a ticket** unless they are sitting with their parents. Tickets will be sent home on Friday 21 September with the eldest child in the family. **No tickets will be sold on the night.**

Medical Conditions

The school has recently completed an update of student medical conditions. Students who have been identified with Asthma on school enrolment forms have now been identified on our Medic Alert poster.

If your child has a newly diagnosed medical condition (including allergies) please contact the school so that we can assist in helping to manage your child's health.

Parent Survey

A reminder to complete your parent survey by **copying and paste the link into your internet browser.**

These can also be completed online at the school on **Tuesday 4 September (3:30-5pm)** and **Thursday 13 September (8-11am)**. Please see the office on arrival.
